个人简介

Subhasish Mitra, William E. Ayer Professor of Electrical Engineering and Professor of Computer Science at Stanford University, is a distinguished academic with affiliations to Bio-X, Wu Tsai Human Performance Alliance, and Wu Tsai Neurosciences Institute. His research focuses on advanced computing technologies, including carbon nanotube circuits and system-level benchmarking. Mitra can be reached at subh@stanford.edu, with his primary office located at Gates 411, Stanford, California 94305-5008.
